

PRODUCT INFORMATION SHEET

6-piece precision insulated screwdriver set

Description

A set of precision screwdrivers for working on live electrical wires at voltages of up to 1000 V.

Characteristics

- VDE 1000 V rated
- made of chromium-molybdenum alloy steel
- durable, resistant to deformation
- magnetic tip
- rotating cap for improved ergonomics when tightening
- handle hole for hanging screwdrivers
- bi-material, shaped handle for comfortable grip and use of the screwdrivers
