

TANGER rain jacket navy blue-grey

Opis Produktu

Carefully made men's rain jacket, parka type. High-quality materials provide durability and high comfort of use, lightweight fabric and simple, sporty cut do not restrict movement. Water resistance 5000 mm H₂O membrane enables using a jacket during rain – material is waterproof and it ensures breathability. Therefore, the jacket is perfect for every physical activity, especially in spring and summer period. Additionally used reflective details allow to increase the safety of movement in the dark.
