

Work shoes, SRC, S1, size 40

Opis Produktu

Men's safety shoes conforming with S1P safety class according to ISO 20345: 2011. They are designed for safety and comfort of work. They are made of durable suede leather in fashionable black and blue colours. Shoes are equipped with steel toes that protect toes, among others against falling objects, debris, tools. Due to the anti-slip sole, they are perfect for walking on uneven and slippery surfaces. Shoes are recommended in logistics, transport, automotive industry, renovation and construction works. They are perfect for indoor use (e.g. halls).
