

PRODUCT INFORMATION SHEET

Crimping pliers for cable ties

Product description

Self-tightening pliers for quick and repeated crimping of cable ties. Used for installation and assembly work in electronic services, as well as in motor vehicle mechanics or telecommunications.

Characteristics

- working range from 2.4 to 4.8 mm;
- clamping force adjustment;
- the cutter automatically cuts the tie after it has been tightened;
- total length of pliers: 165 mm;
- contoured, ergonomic handle for comfortable grip and use of the tool.
