

## PRODUCT INFORMATION SHEET

# WURNITZ elastic protective jacket

### Product description

WURNITZ professional protective sweatshirt is made of the highest quality materials. In addition to its high strength, it also provides great comfort of use. During the production of a sweatshirt, special attention was paid to the functionality and safety of the clothing. The increased elasticity of a sweatshirt makes it suitable for many work variants, without restricting the user's movements, and the added reflective details ensure work safety after dark. The sweatshirt has two lower and two chest capacious pockets, reinforced with OXFORD material. It is available in a fashionable dark grey colour and in a wide range of sizes (from S to 3XL). It was designed for professionals. Ideal for production, construction, transport workers and car mechanics. Perfect for service, installation and technical works.
