

PRODUCT INFORMATION SHEET

Tool trolley

Product description

A solid and functional tool trolley is an essential piece of equipment for any workshop, garage or other workplace. With a load capacity of up to 110 kg, it can accommodate many heavy tools and accessories. The trolley has three levels, which allow tools to be arranged in a logical and orderly manner. Thanks to two swivel castors, it is extremely easy to manoeuvring, even when fully loaded. The wheels are durable and designed to withstand the weight and promote smooth mobility.

Characteristics

- 3 levels with an area of 730 x 384 x 80 mm;
- the surface of the shelves is filled with an EVA foam mat;
- load capacity: 110 kg;
- equipped with 4 wheels, including 2 swivel ones;
- wheels made of PVC.
