

WURNITZ elastic protective bib trousers dark gray 2XL (56)

Opis Produktu

The WURNITZ elastic safety overalls are made from the highest quality materials, combining durability with comfort. **The TWILL fabric**, consisting of polyester, cotton and elastane, provides not only durability but also freedom of movement, which is crucial in many working environments. Reinforcements made from **OXFORD 300D** material further enhance durability in key areas. The overalls are ideal for production workers, construction workers, transport workers and car mechanics. It is also great for service, assembly and technical work.
