

KARTA PRODUKTOWA

Farm jack 3T 33"

Opis Produktu

A farm jack is a key tool for professionals handling vehicles with a high suspended chassis, including off-road vehicles. Its strength and precision also make it ideal for lifting heavy agricultural machinery and equipment. Moreover, thanks to its versatility, it can be used not only as a traditional jack, but also as a puller or spreader, which makes it an extremely versatile tool in the workshop.

Charakterystyka

- made of high-quality steel;
- maximum load: 3000 Kg;
- lifting range: 130 – 645 mm;
- height 83.8 cm;
- weight: 12 kg.
