

ULLER latex bevonatú gyerekkesztyű kék/zöld 6

Opis Produktu

ULLER kids is a unique protective glove specially developed for children, combining safety and comfort. Coated with corrugated latex, they provide protection against mechanical hazards while maintaining a high level of comfort. Their blue and green colour scheme adds to the appeal and, thanks to the use of a 13-gauge polyester knitted fabric, the gloves are flexible and durable. Ideal for young users in a variety of activities where hand protection is required, whether at home or during educational arcade activities.
