

PRODUCT INFORMATION SHEET

Modelling Vise 60 mm

Product description

The vice for model makers is attached to the table top or board with a G-clamp. Owing to the clamp, you can attach it to any place in a fast, comfortable, and stable manner. The vice's durable body is made of cast iron. The quenched jaws of the vice are extremely hard and prevent the workpiece from loosening.

Characteristics

- Jaw width – 60;
- Jaw spacing – n/a;
- Material – ductile cast iron;
- Mounting – G-clamp.
