

PRODUCT INFORMATION SHEET

ADEL insulated warning jacket yellow L (52)

Product description

The ADEL high-visibility jacket combines a modern design with high functionality for field work. The OXFORD 300D fabric with PU coating and zonal insulation effectively protects against cold and moisture, ensuring comfort in variable weather conditions. Details such as the elongated back, elasticated cuffs with thumbhole and two-way zip add to the comfort. A model designed for drivers, road users and users working outdoors.
